Sign-up Now – Openings Are Limited

Juniors, beginners, and veterans of every skill level are welcome.

Two new indoor NRA-sanctioned international-style pistol leagues will be formed in the Twin Cities this Fall. One league will be for air pistols and the other, free pistols. Each will meet eight times on alternating Tuesday evenings beginning September 4th. Openings are still available both leagues.

The leagues are jointly sponsored by Bill's Gun Shop & Range and the Oakdale Gun Club and endorsed by the Minnesota Rifle and Revolver Association (which will post the results on its website). Because MSP Indoor International Pistol Leagues organizers have met all the local, regional, and national requirements, competitors who want to earn or update their NRA ranking in these seldom-staged events can authorize the league to submit their best scores to the NRA.

Registration for each league is \$20 and includes NRA-approved targets. There will be a range fee of about \$10 per session.

The **Indoor International Air Pistol League** opens its Fall season on 4 September at 6:00 PM and will meet on alternating Tuesday through 11 December. International targets will be shot at 10 meters (33 feet). Any air pistol can be used but only 4.5mm/cal .177 guns with open sights may be used for NRA ranking purposes.

The **Indoor International Free Pistol League** season begins on Tuesday, the 11th of September, at 6:00 PM, and meets every other week through 18 December. NRA-approved targets will be shot at 50 yards. Any rimfire .22 LR pistol with open sights may be used providing each round is loaded and fired singly. For ranking purposes, only scores shot with 40-grain bullets will be accepted.
