

Elk River Sportsman's Club

6th Annual F-Class

Prairie Dog Championship

This event will take place on Saturday, October 15th, 2016 with the first shot headed down range at the Prairie Dogs at 10:00am. Registration starts at 8:30am and runs until 9:30am. This event is for both

F-Open and F-TR shooters.

The Entry Fee for this event is just \$20.00.

How this event works is as follows:

We start out at 200 yards and give you unlimited sighters at a paper target to get your zero.

We then staple up four targets with three Prairie Dogs on each target for a total of 12 Prairie Dogs to shoot at. There is also a half inch orange circle on each Prairie Dog to represent the heart shot. Hitting that circle is considered your X Count for score. However, that circle is located near the side or edge of the Prairie Dog silhouette, so use caution when shooting at the heart because you may miss the Prairie Dog entirely.

You then have 12 minutes with 12 rounds to shoot at 12 Prairie Dogs.

You can only hit each Prairie Dog once. If you hit the same Prairie Dog twice, the second hit doesn't count towards your score.

The person pulling targets in the pit will pull the target down to see if you hit a Prairie Dog. If your bullet hit inside the Prairie Dog silhouette, he or she will spray the bullet hole with red spray paint, mark the hole with a golf tee, put the marking disk on the ten spot for just a hit, and the X spot if it was a heart hit, and send the target up. You will see its hit by the red paint on the Prairie Dog, and the marking disk on either the ten spot or the X spot. You then move on to the next Prairie Dog on the target.

Once all 12 shots are out, we mark down how many Prairie Dogs were hit, and how many heart shots there were and move back to 300 yards and do it all again.

You will then have unlimited sighters at 300 yards to get your zero, and then have 12 minutes with 12 rounds to shoot at 12 Prairie Dogs.

After all shooting is complete; we will see how many of the 24 Prairie Dogs you hit and how many heart shots you had. We can then determine who the next Prairie Dog Champion will be.

There will be prize money paid out for the top three places in both F-Open and F-TR. First place in both F-Open and F-TR will also be awarded the prestigious traveling trophy for being the "Prairie Dog Champion".

Come on out and enjoy this different and fun event. It only takes about three hours to do the two different yardages.

See you there!
