

F - Class League/Mid Range Shooting

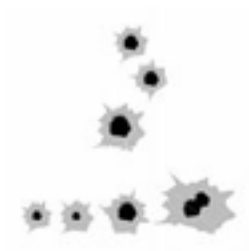

The Elk River Sportsman's Club will be conducting a ten week F-Class/Mid Range rifle shooting league in 2008. The league is open to the public and begins on April 14th at 6:00 pm. Participants are encouraged to attend all ten weeks, but complete attendance is not required. F-Class gives rifle shooters an easy entry into competitive shooting or excellent practice for long range hunting.

The ERSC is hosting the MN F-Class Mid Range State Championship on June 28th and 29th. F-Class is now an NRA officially recognized rifle sport. Three weeks of the ERSC F-Class league will complete a 120 shot NRA registered match so participants will receive their NRA classification card before the state championship.
