

MN State International 300M Prone Invitational High Power Championship

The 300-meter prone State Championship was held at the Minneapolis Rifle Club Range on April 15, 2007. Sixteen shooters attended the match. Stacy Tamulinus was Match Winner and State Champion! Collin Blahut was High Junior and State Junior Champion. Morgan Dietrich was second over all and Collin Blahut third (they had tie scores and agreed to break the tie on X count). Mathew Minerich was Second Junior, 4th overall. Brian Shifmann was first in F-Class. We had two other Juniors competing as well, Cody Holland and Brandon Hays. The match was a great success and we hope to have more shooters next year!
