F-Class Tactical

<u>Name</u>	<u>Class</u>	<u>Match 1</u>	<u>Match 2</u>	<u>Match 3</u>	<u>Match 4</u>	<u>Aggregate</u>
LaValley, Gary	MKS	183-2	137-1	166-1	168-0	654-4
Mason, Kenneth	Uncl	160-3	173-0	182-1	159-2	674-6

The match started after a three hour rain delay. The wind was gusting and variable, but the temperature was mild. This made for some challenging shooting. However, there were 200s posted by Steve Knutson and Jim Soderstrom. Jim also managed to post the only High Master score of the day and this made him the Match Winner of the Mid-range Aggregate.

The Elk River Sportsman Club was very pleased to see so many new competitors for the F-Class match. The official F-Class targets were used for this match so the scores may appear to be low. However, this is a much more difficult target than the MR target. Congratulations to Marty Nelson for being the Match Winner of the first official F-Class match held on this range. In doing this he now holds the range record.

Our next NRA Approved Mid-Range and F-Class match will be held in August. Please visit our web site at [HYPERLINK "http://www.ersportsman.com"](http://www.ersportsman.com) [www.ersportsman.com](http://www.ersportsman.com) for more information regarding this match and for other event dates. We look forward to seeing all of you on our range in the near future.
