Twelve competitors either did not listen to, or did not believe the weather forecast for Sunday. As it turned out, Sunday was a great day for shooting a match. And the rain held off until almost 30 seconds after the awards ceremony.

It seems that everyone was a bit rusty following the winter break as the scores did not reflect the shooting conditions. Congratulations to Cap'n Bob for being the Match Winner.

Our next NRA sanctioned tournament will be the Regional Championship match in July. Please visit our web site at [HYPERLINK "http://www.ersportsman.com"](http://www.ersportsman.com) [www.ersportsman.com](http://www.ersportsman.com) for details about this match and for information of other club events. We look forward to seeing you on our range in the near future.
