Fourteen competitors either did not listen to, or did not believe the weather forecast for Sunday. As it turned out, Sunday was a great day for shooting a match. The temperature and humidity were much lower than on Saturday.

Congratulations to Kevin Bangen for being the Match Winner. Dale Wickstom (always the Bridesmaid, never the Bride), took 1<sup>st</sup> place honors. Erik Rhode led the combined Expert, Sharpshooter, Marksman class with a 747-10. A little more work at 600 yards and he will be getting a Master card.

Our next NRA sanctioned tournament will be the Fall Invitational Four Gun 600 and 80 shot OTC in Mid-September.

For more information regarding the September match, or for information of other club events please visit our web site at [www.ersportsman.com](http://www.ersportsman.com). We look forward to seeing you on our range in the near future.
