Fourteen competitors either did not listen to, or did not believe the weather forecast for Sunday. As it turned out, Sunday was a great day for shooting a match. The temperature and humidity were much lower than on Saturday.

Congratulations to Kevin Bangen for being the Match Winner. Dale Wickstom (always the Bridesmaid, never the Bride), took 1st place honors. Erik Rhode led the combined Expert, Sharpshooter, Marksman class with a 747-10. A little more work at 600 yards and he will be getting a Master card.

Our next NRA sanctioned tournament will be the Fall Invitational Four Gun 600 and 80 shot OTC in Mid-September.

For more information regarding the September match, or for information of other club events please visit our web site at www.ersportsman.com. We look forward to seeing you on our range in the near future.
