Thanks to all you guys & gals for your attendance. This was the best team attendance in over 15 years! There will be some changes for next year. I will cut the iron sight part from 20 shots to 15 at each distance. That will save an hour. We WILL start on time! You will note the spread sheet shows a couple scores a point or 2 different than what was added up on the calculator at the range. These changes

did not result in any change in the ranking. Come on over to Eau Claire on the 26th for a 4 gun 600.

Bob Peasley 507-744-5200.
