Note the 3 scores of 200X15 in match 7. Many of us would think that's a decent score. SORRY ABOUT THAT MORGEN! Rule 15.4 c 4 was applied and Omer wins!

When I entered scores from the range bulletin EXCEL found a few minor math errors. These changes did not affect any results. I'll have the awards to hand out at Midwest Palma and in the mail for those not attending MWP. Bob 507-744-5200

As I mentioned at the range I had to reduce awards or increase the entry fee due to duplicate awards for 2 types of shooting.

Thanks to all for your attendance. Northstar will host a MRP 2 day regional Aug. 1-2. This well be the first such in the upper midwest.
