

**Minneapolis Rifle Club Conventional Prone Smallbore Rifle
Match Bulletin, St. Francis, MN
August 22, 2009**

August 22, 2009 was about perfect as a day could be for a match,. It was warm, sunny and the wind was calm. Fourteen shooters competed in the 160 round prone match. Shooters included two Juniors , three Sub Juniors and nine Adults. The event went off without a hitch. There was one small glitch, one of the shooters left his rifle at the range and there was a small discussion about how long it should be hidden to make him worry. In the end kind harts prevailed and it was sent home with his friend.
