23 shooters made the trip to scenic Red Wing, MN for the first OTC match of the 2013 season that didn't get cancelled due to weather. Weather was not ideal, but it still beat the heck out of two days at work. Saturday proved to be especially challenging with a fast-switching fishtail gusting to 20mph. Offhand proved difficult for all and there were many shots high and low due to strong gusts. The condition at 600 confounded all shooters except for one - **Leo Huhta** rose up from the Expert class to make all of the Masters and High Masters look silly with his **200-9x**. A great 600 yard score in any condition, and downright amazing in this one. Nice Shooting, Leo - can't imagine that Expert card will last too much longer! Sunday was a little better, - still had switchy winds, but much more manageable. The wind, mixed with 55° temps kept us all nice and cool, and occasional rain showers insured that we were well hydrated. We had a few new shooters and it was a nice, even mix between the classes. We even had a visiting dignitary from a far-away land - Kent Finlay made the drive up all of the way from Missouri. At the end of the weekend, it was hard-holding **Kevin Bangen** who emerged with the match win. **Yours truly** was 8 points off of Kevin's lead for 1st High Master honors. **Jim Soderstrom** made 1st Master with two solid days of shooting. **Tough Guy Tommy Torborg** locked up the Expert class with a couple of first-in class wins along the way. Thanks to all who came down, and we hope to see you all back in a month for the MN State Championship matches - Service Rifle, Match Rifle and 4-person Team on June 29-30. Leg Match on Sunday for the SR guys, and we will also hold a concurrent Director's match with the same course of fire for the guys shooting the fancy guns.

Best Regards,
Erik Rhode
