<p>The North Star Club thanks you for your participation and help with setting up and putting stuff away. As you can see I had to combine MA, EX & SS for a combined class award. There were not enough F class on Sat for awards. As per the program we needed 4 in a class for awards and there were only 3 HM3 MA & 3 EX total. Then it was further split between T/R & OPEN. But what the heck, we were able to provide some awards for at least Sunday in F class. NSRC is hosting the combined NRA & service rifle state champ June 11 & 12. I'll send a program soon and it is posted on MRRR.ORG web site. July 23-24 NSRC is hosting the F class regional and Ben Winget will be running that.</p>

The North Star Rifle Club appreciates your participation in our tournament. I thjank you for helping set up and clean up after the match. We are hosting the F class MRP regional July 23-24. The NRA provides lots of medals for 1st, 2nd & 3rd as well as class medals. However those need to be ordered BEFORE the match and what they provide is based on entries. Therefore I STRONGLY encourage you to preregister at least 10 days in advance. Not only will this ensure we order the proper medals it greatly helps to know so we can do pre squadding. If you must cancel we understand but please try to pre register with Ben Winget.
