This was a gathering of the Free Pistol shooters. It was enjoyed by all. Non participating attendees were Joel Peabody and Mike Marzitelli. They supervised the match and enjoyed the company. The top shooters were extraordinarily close. Their scores were equal to past champions such as Lance Peters and Erhard Bruderer. In the ranks were minor competitions as to who was on top that particular day, witness the rivalry and friendship between Lance and Tom. Jim, Karen and Gary enjoyed the fact that they were participating even with recent injury and the recognition that they may not be 16 years of age anymore. However, the joy of participation and camaraderie was reward in and of itself.

Congratulations to Brent for his championship, to Kevin for giving Brent a heck of a close race, and to Kevin for keeping the first two from cherry picking.

The trophy was awarded to Brent at the end of the match and he was declared 2022 Minnesota Free Pistol Champion.
