

Minneapolis High Power Rifle Club Winter League Schedule

Hi Guys please find below the schedule for the MRC Saturday NRA National Match / F-Class League. We will shoot the NRA National Match Course, 10 offhand, 10 Rapid Sitting, 10 Rapid Prone and 20 Slow Fire Prone with sighters at each position. If you want EIC practice you get no sighters. All targets scoring is modified for the electronic targets at 300 meters and the target on the computer monitor will look like the SR, SR-3 or MR. For F-Class shooters we will let you shoot the International target - 50 rounds plus sighters (challenge wise, it's very similar to the F-Class target).

The league fee is a flat fee of \$80.00. \$7.00 is the NRA League fee and the balance is for heat and electronic target maintenance. The \$80.00 fee is due at the first match and is nonrefundable. Please note The fee is set up this way to reserve the range and to be sure there is participation since I am donating 8 Saturdays. You can pre-register by contacting me -- see below.

Matches start at 10:00am, but be there by 9:30am for preparation. We should be done at noon.

Please contact George Minerich if you have any questions at (320) 968-6898 or minerich@clearwire.net
