AWARDS: A poll was taken of active Bullseye shooters and the consensus was that awards didn't matter, match conditions were more important. Also, entry fees were getting rather high for those who came into matches regularly. So, rather than giving awards, we reduced the entry fees. A match bulletin will be posted at <http://www.mrra.org/pistol.htm> after each match listing scores and acknowledging aggregate class and match winners. As this is an approved match, results will be sent to the N.R.A. and will count towards classifications.

MISCELLANEOUS: Cold pop will be sold all day. Bathroom facilities and cold water will be available. The range has 30 covered firing points with stationary targets at 50 yards and turning targets at 25 yards. The range will not be available for sighting-in or practices. Fast food and full service restaurants are within a 10-minute drive. Usually, one hour will be allowed for lunch between Match 10 and Match 11.
