

ROBERT SANDAGER 60 ROUND OFFHAND MATCH RESULT BULLETIN

FEBRUARY 13 AND 14, 2010

The Minneapolis Rifle Club hosted the Robert Sandager 60 Round Offhand Match at it's range in St. Francis, Minnesota firing on the 300 Meter International Target. Robert Sandager graciously donated the prize money! Twenty shooters from the region entered the match and shot in metallic and any sight match events. Several shooters only shot in one match so a total of 25 scores were marked.

Over the two days many good scores were shot but the top gun was Larry Sawyer. Larry shot an impressive 538-8X using metallic sights. Second overall high score was shot by Lance Peters using a scope shooting a fine 522-6X. Dave Dexter shot the third highest overall score of 517-5X using a scope.

Top distance traveled honors go to Dave Dexter of Duluth, MN and Vince Mahoney from Cedar Rapids, Iowa.

When it was all over three shooters left with prizes.

Metallic Sight Match:

Lance Peters First Place (513-2X) \$400.00 winner
Dave Dexter Second Place (511-4X) \$200.00 winner
Larry Sawyer Third Place (491-0X) \$100.00 winner

Any Sight Match:

In closing:

The shooters reported that they enjoyed the match! Their second most common comment was the International Target is tough! The shooters agreed that even though the target is tough, it was a fair event since everyone had the same conditions and same chances. Many hope that we can hold the match again in 2011.

I would also like to thank Robert Sandager for his generous contribution of the prizes and for his many years for supporting competitive shooting in Minnesota. George Minerich, Match Director.

Special Notes :

Ali Reda shot with a cracked wrist and had to stop after his first 20 rounds. This was Greg McCarty's first match.
