Joel Peabody	137	139	134	410
Mike Marzitelli	122	137	127	386
Brian Shiffman	118	123	127	368

It was a pleasant day for shooting. Good temperature, light and just a gentle breeze, just sufficient to keep away any mosquitoes.

A SCAT is available for use. It is the MRRA scat on temporary loan to this group of shooters. It is a complete self standing system. It can be used for either rifle or pistol. You can train with it for several weeks. Contact Mike Marzitelli to get on the schedule.
